## WEATHER OBSERVATIONS

U. S. Department of Agriculture (Weather Bureau.)

Occasional light showers in the Missouri, Mississippi and Ohio valleys, the lake region, the middle Atlantic states and New England, and the west gulf sections have attended lows which are central off the north Atlantic coast and the coast of Texas. Light rain is also reported from the north Pacific coast. An area of high pressure and cool temperature covers the eastern Rocky mountain slope, with its crest over southern Saskatchewan. The eastward movement of the high will be attended by generally fair weather in this vicinity tonight and Tuesday, with cooler and probably frost tonight.
